

Announcing an upcoming ASCA Workshop

ASCA Hands-On Workshop: *April 26-27, 2018 8:00-4:00 @ Stevens-Henager College, 1444 S. Entertainment Ave. Boise, ID*

The American School Counselor Association (ASCA) National Model was adopted in 2003; 2012 as a FRAMEWORK for a comprehensive developmental school counseling program. ASCA is data driven program, aligned with state and national standards, demonstrating accountability to all stakeholders, and supporting **ALL students--academically, career/college readiness and social/emotionally (soft-skills)**, by spending the recommended 80% of counselor time in Direct Services to students. The ASCA Model is a culmination of best-practice & evidence based school counseling programs in the United States.

Hands-On ASCA workshop, 1 CEU offered --15 hours—2 hour follow-up via skype, or on- ground (cost may apply) ASCA Workshop is aligned to apply for RAMP--Recognized ASCA Model Program National award for schools.

- **How-To implement the ASCA National Model- step by step--** based on individual school data & needs
- Guaranteed to make the ASCA National Model relevant and do-able for accountability to Administrators, School Board Members and all stakeholders the Imperativeness of School Counselors, developing & following the ASCA National Model Comprehensive School Counseling Program.
- All participants will leave the *Hands-On ASCA Workshop* with a working electronic ASCA National Model program for their individual school in Career/College Readiness and meeting the "Soft Skill" needs Business requires. Implementation of the ASCA National Model, K-12, provides a *plan* for meeting the goals of the State, Districts, and Local levels in the following:
 - Understand upcoming Legislation for the Idaho School Counselor Evaluation
 - Counselors role in meeting the State of Idaho Goal for 60% Go-On by 2020
 - Document and direct Advanced Opportunities monies & Dual Credit accountability & accessibility for students grades 7-12.
 - Use CIS or related Career Readiness programs in the Delivery portion of the ASCA Model
 - Transitional flow grades K-12 in the 3 ASCA Domains--Academic, Career/College Readiness & Social/Emotional (soft skills)

Costs:— ASCA National Model Trainings for School Counselors & closely related Professionals.
